

## In memory of Donald C. Lowe

St. John's, Newfoundland & Labrador – June 30, 2014 – It is with sadness that the management team and Board of Directors at Black Spruce Exploration (“BSE”) announce the passing of fellow Board member Donald C. Lowe.

Mr. Lowe's contributions to BSE cannot be overstated. He played an influential role in the early development of the company and helped establish BSE's corporate mandate and direction.

As President & CEO David Murray notes: “Don was well respected by all who knew him. He was the consummate professional and his business acumen, management style and leadership skills enabled him to excel in whatever role he had. He made a significant contribution to Black Spruce Exploration and will be greatly missed by everyone in the organization.”

Throughout his distinguished career, Mr. Lowe served in a number of capacities including chief executive officer at Bombardier, Fleet Industries, Kidd Creek Mines, and Pratt & Whitney Canada, and as a director at Alberta Natural Gas, Canadian Tire Corporation, HSBC Bank of Canada, Ingersoll Rand Canada and Teklogic Inc., to name a few.
